

Explanation of WRRR Fees

Quoted prices for WRRR programs include the total of several individual fees which are required for each program. These individual fees are described below.

Membership Fee:

This fee is an annual fee which supports WRRR equipment acquisition, the WRRR club manager, some equipment repair, marketing, bookkeeping and other administrative costs. The "Basic" version of this fee excludes costs associated with equipment for those who use no WRRR-owned equipment.

Facilities Assessment Fee:

WRRR pays the Cleveland Rowing Foundation a fee for the use of the boathouse and all associated property (docks, parking lots, launches, etc.) and for the services of CRF employees (Executive Director, Maintenance employee). WRRR recovers those costs through this Seasonal Facilities Assessment. Two seasons equals the annual maximum and includes Winter use of facilities (ergs).

General Sweeps/ General Sculling Fee:

These fees cover costs associated with either the Sweeps or Sculling Fleet. Specifically, it includes the costs of storage (rack fees), equipment repair and maintenance, watercraft registration, boat insurance and some fleet administration costs.

Program Fees (excluding SRL):

Program fees apply to coached programs and cover almost exclusively coaching fees (and sometimes coxswain fees).

Summer Rowing League Program Fee (and Fall Rowing):

The program fee for SRL covers costs associated with coaching, club manager, shell rack fees, equipment maintenance and repair, equipment insurance, SRL regattas and T-shirts. SRL participants do not pay the General Sweeps Fee.

Volunteer Deposit:

A Volunteer Deposit of \$60 is required of all 2018 members who were full WRRR members in 2017. This fee is fully refundable upon completion of 8 hours of Volunteer service at designated activities. Additional information can be found here:

Volunteer Deposit (see below)	\$60	\$60	\$60	\$60	\$60	\$60			
Total, with Volunteer Deposit	\$443	\$594	\$985	\$600	\$660	\$360	\$311		

* If in multiple programs, these fees will only be charged once.

** Learn to Scull only offered to those currently enrolled in another program, i.e. one cannot opt to only participate in Learn to Scull.

The maximum facilities assessment per year is \$252 (summer and fall).

For Private Scullers, the maximum membership fee paid will be \$166, if also in other programs (i.e. NOT \$48 + \$166).

Program fees are charged for each coached program in which one is enrolled.

A Volunteer Deposit of \$60 will be added for all 2018 rowers who were members in 2017.

All registration fees are subject to 8% sales tax.

A transaction fee of \$1.25 will be added to each transaction.

Other processing fees (3.765%) are built into the fees in the table and are non-refundable.
